

D. KNIGHT DESIGNS

EST. 1933

Owner Deborah Knight founded D. Knight Designs twenty-eight years ago after moving to Marshall from Farmington Hills, Michigan.

The Knight Building, as seen in our logo, is an Italianate structure built in 1841 by David Pratt, who owned and operated a gun shop. The building has been home to nearly a dozen businesses in its history of over 170 years. All three floors, as well as the lower level basement have undergone extensive renovation since Knight purchased the building in 1989.

D. Knight Designs is proud to offer Kemon exclusively to its clientele as one of the first salons in the state of Michigan.

A 100% Italian Company headquartered in San Guistino, Italy since its founding in 1959, Kemon offers an approach to hair care that is simple; to use the most natural, raw, or organic materials to create a feeling of beauty and well-being and to carry out its ecological initiatives.

Kemon offers hair colour that is 100% ammonia-free, PPD free, as well as products that are made with fruit extracts, are yogurt based, and made with Organic ingredients.
