| blend.me | \$35 |
| color blending for men with gray hair | |

KNIGHTCLUB F.A.Q.

HOW DOES MEMBERSHIP WORK?

Schedule your visits for a one-year period from the date in which you enroll or renew. We can help you determine your schedule.

HOW MUCH DOES IT COST?

Membership is free. The only commitment you make is scheduling your visits for a one year period. We recommend scheduling a minimum of 4 appointments to take advantage of each quarter's rewards.

HOW DO I ACCUMULATE KNIGHTCLUB CASH?

For each dollar you spend on services and retail purchases you earn 2% back that you can use when making retail purchases. KCC not redeemed will expire after 12 months of inactivity/no appointments booked.

HOW DO I REDEEM MY REWARDS?

Rewards can be redeemed during the visits you schedule throughout each quarter. You may use each service reward and each retail reward one time during the quarter.

WHY DOES DKD ASK FOR MY E-MAIL ADDRESS?

Periodically, we may send you notifications regarding your membership, your scheduled visits, member-exclusive savings and pop-up perks!

WHAT IF I NEED TO RESCHEDULE A VISIT?

We understand that life happens, and can accommodate changes to your scheduled visits when needed. We recommend that you keep your overall schedule the same if you need to move a specific visit within 1 to 1.5 weeks before or after its originally designated time, to keep you on schedule.

WHAT IF ALL OF MY SCHEDULED VISITS NEED TO BE ADJUSTED?

We can adjust the entire schedule if needed, and will review your membership status if the need to adjust all of your appointments occurs more than two times within the year.

KNIGHTCLUB REWARDS

Redeem each quarterly reward one time during the specified quarter during your scheduled regular visit. Quarterly rewards must be redeemed during the same quarter.

★★★★★ 5 STAR VIP

Members active for 5+ consecutive years receive a special thank you in Autumn 2023.
